

HEAL THYSELF

One-Page Case for Support

WHAT WE'VE DONE

1. created a process to change our homes from physically & emotionally exhausting to light and creative.
2. created a stage show about the process and essence of that transformation
3. created a documentary about the details and ramifications of that process

WHAT WE WANT TO DO

1. complete the documentary
2. tour the show
3. create a second documentary with a pilot group testing the method of our process
4. write a clear description of our process
5. develop workshops, a study guide, and course modules

WHAT WE NEED

1. tour van
2. stage manager
3. lighting & sound equipment
4. marketing manager
5. support staff
6. Total: \$500,000
